### Monday 22nd

Thanksgiving is this Thursday! To all my US followers - how are your final preparations going?

Gathering friends and family around the table for a beautiful roast dinner a month before Christmas sounds wonderful. In my opinion, just once isn't enough! 🍗

Perhaps my family and I should begin our own Thanksgiving tradition. I'm sure they wouldn't need much persuading to enjoy a day of good food together!

Do you have plans for Thanksgiving? Share them in the comments! 🙌

## Friday 26th

Happy Black Friday! 🎁 Who's ready for some Christmas shopping?

I'm very much looking forward to exploring the sales in person this year. Holiday shopping creates an inimitable atmosphere, and I just have to get out there and be a part of it whenever I can!

There's nothing like the bustle of holiday shoppers under the Christmas lights to get me into the holiday spirit, and I simply love exploring London (and beyond!) to find the perfect gifts for all the special people in my life. 🌲

I might just pick up one or two treats for myself, too... 🤔

Will you be shopping the sales today? 🎁

## **Friday 3rd**

December has officially begun, and my family and I are now in full flow for Christmas! Decorations are going up, lights are being strung, and trees are being trimmed. 🎄

Perhaps November is too early for some, but now December's arrived, it's official: the holidays are here! 🎉 ✨

I hope you can take some time this weekend to enjoy the season and relax before the festivities really start over the next few weeks. Enjoy the moment, keep wrapped up warm, and remember to send out all those cards! ❤️
